EXPORTATION

§ 479.114 Application and permit for exportation of firearms.

Any person desiring to export a firearm without payment of the transfer tax must file with the Director an application on Form 9 (Firearms), Application and Permit for Exportation of Firearms, in quadruplicate, for a permit providing for deferment of tax liability. Part 1 of the application shall show the name and address of the foreign consignee, number of firearms covered by the application, the intended port of exportation, a complete description of each firearm to be exported, the name, address, State Department license number (or date of application if not issued), and identification of the special (occupational) tax stamp of the transferor. Part 1 of the application shall be executed under

Where it is desired to make a transfer free of tax to another person who in turn will export the firearm, the transferor shall likewise file an application supported by evidence that the transfer will start the firearm in course of exportation, except, however, that where such transferor and exporter are registered special-taxpayers the transferor will not be required to file an application on Form 9 (Firearms).

§ 479.115 Action by Director.

If the application is acceptable, the Director will execute the permit, Part 2 of Form 9 (Firearms), to export the firearm described on the form and return three copies thereof to the applicant. Issuance of the permit by the Director will suspend assertion of tax liability for a period of six (6) months from the date of issuance. If the application is disapproved, the Director will indicate thereon the reason for such action and return the forms to the applicant.

§ 479.116 Procedure by exporter.

Shipment may not be made until the permit, Form 9 (Firearms), is received from the Director. If exportation is to be made by means other than by parcel post, two copies of the form must be addressed to the District Director of Customs at the port of exportation, and must precede or accompany the shipment in order to permit appropriate inspection prior to lading. If exportation is to be made by parcel post, one copy of the form must be presented to the postmaster at the office receiving the parcel who will execute Part 4 of such form and return the form to the exporter for transmittal to the Director. In the event exportation is not effected, all copies of the form must be immediately returned to the Director for cancellation.
